

PROPERTY MANAGEMENT

Estate Agent - Services

What we do

At Thistle Estates, we provide a reliable and proactive property management service for residential and commercial properties. Acting on behalf of landlords and investors, we handle the day-to-day management of assets, including tenant liaison, rent collection, maintenance, inspections, and statutory compliance. With strong local market knowledge and a focus on protecting asset value, we ensure properties are managed efficiently, responsibly, and in line with current legislation, giving our clients confidence and peace of mind.

- ✓ Proactive management of residential and commercial properties
- ✓ Full tenant liaison and rent collection handled for you
- ✓ Maintenance, repairs, and regular property inspections
- ✓ Compliance with all current property and safety legislation
- ✓ Focused on protecting value and maximising long-term returns

We are proud to have **Excellent Client Feedback**
